THERAPEUTICA APPOINT MEDSERVE AS EUROPEAN REPRESENTATIVE

Medserve are pleased to announce their appointment as Authorised European Representative for the Manufacturer of Therapeutica Support Products, Therapeutica Inc. based in Toronto, Canada.

As an established distributor of therapy accessories and products, our aim is to assist Therapeutica to develop and increase awareness of these high quality and unique support products throughout the UK and Europe to professional therapists and consumers suffering with back and neck problems.

Ruth Milner, Director of Medserve says “This appointment confirms our commitment to the Therapeutica brand as we believe these ergonomic products are the best available in the market today to help people overcome some of the common problems associated with acute and long term back and neck pain”.
